hillwalktours "It is during our darkest moments that we must focus to see the light." — Aristotle.

As part of our National Park Week and as a celebration of St George's Day – the national day named after England's patron saint – let us bring Northumberland National Park to you. Home of the iconic Hadrian's Wall Path, these scenes will be here waiting for you on brighter days ahead.

hillwalktours Today marks the 50th anniversary of World Earth Day and the amazing colours of the Pembrokeshire Coast National Park are a great example and reminder of the beauty of our planet and what we can look forward to after these challenging times end. Now more than ever we realise how much nature is important to us and how important conservation is to our planet 🌍

hillwalktours Dydd Gŵyl Dewi Hapus*!
What better way to celebrate the national day of Wales and the country's patron saint than with a picture of its most inspiring trail:
📷 Pembrokeshire Coast Path.

*No, a cat didn't sit on our keyboard, we just wanted to wish you a Happy St David's Day in Welsh! And if you are wondering how to pronounce it, it goes something like this 'deethe goil dewi hapeece' 😊
